

# NORTHMONT INVITATIONAL 2012

Dear Science Olympiad Coach,

The Northmont High School and Middle School Science Olympiad teams would like to cordially invite you and your teams to participate in the Eleventh Annual Invitational. The competition will take place on Saturday, January 7<sup>th</sup>, 2012.

The Middle School (Division B) teams will be competing at Northmont Middle School while the High School (Division C) teams will be competing right next door at Northmont High School on National Road in Clayton, Ohio. The registration fee this year is **\$75.00 per team**. This fee will be used to cover the cost of First, Second, and Third place medals, ribbons for places 4<sup>th</sup> through 6<sup>th</sup> as well as trophies for the first six places in both divisions. It will also help offset the cost of food for the hospitality areas for the coaches.

**No purchase orders will be accepted.** Please remit a check covering the cost along with your registration form. You can indicate your desire to attend by e-mail while you wait on the check and registration to be processed.

For each **TEAM** registered your school is expected to be responsible for running an event. You should prepare and bring all necessary materials (equipment, tests, answer keys, etc.) for you to successfully run the event. Each team will then leave the competition with a folder containing all tests, answer sheets and over all score sheet to help the team prepare for the next competition.

We will close registration once we reach a registration of 40 teams in each division. Events will be assigned according to your list of preferences on a first come, first served basis, so if you want to run a particular event, register early!

We hope to see you at Northmont on January 7<sup>th</sup>!

Best wishes for a great year!

Sincerely,

Tom Wilson Division C Coach
